WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION**A. The Policy**

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

**PART ONE
WORKERS COMPENSATION INSURANCE****A. How This Insurance Applies**

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;
2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other

(Ed. 1-15)

insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. **Payments You Must Make**

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;
3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. **Recovery From Others**

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. **Statutory Provisions**

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.
2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.
4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
5. This insurance conforms to the parts of the

workers compensation law that apply to:

- a. benefits payable by this insurance;
- b. special taxes, payments into security or other special funds, and assessments payable by us under that law.

6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO

EMPLOYERS LIABILITY INSURANCE

A. **How This Insurance Applies**

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.
2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
3. Bodily injury by accident must occur during the policy period.
4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.
5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. **We Will Pay**

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against

such third party as a result of injury to your employee;

2. For care and loss of services; and
3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you; and
4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law;
5. Bodily injury intentionally caused or aggravated by you;
6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries;
7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any employee, or any personnel practices, policies, acts or omissions;
8. Bodily injury to any person in work subject to the Longshore and Harbor Workers' Compensation Act (33 U.S.C. Sections 901 et seq.), the Nonappropriated Fund Instrumentalities Act (5 U.S.C. Sections 8171 et seq.), the Outer Continental Shelf Lands Act (43 U.S.C. Sections 1331 et seq.), the Defense Base Act (42 U.S.C. Sections 1651–1654), the Federal Mine Safety and Health Act (30 U.S.C. Sections 801 et seq. and 901–944), any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws;

9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 U.S.C. Sections 51 et seq.), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws;
10. Bodily injury to a master or member of the crew of any vessel, and does not cover punitive damages related to your duty or obligation to provide transportation, wages, maintenance, and cure under any applicable maritime law;
11. Fines or penalties imposed for violation of federal or state law; and
12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. Sections 1801 et seq.) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding, or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings;
2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
3. Litigation costs taxed against you;
4. Interest on a judgment as required by law until we offer the amount due under this insurance; and
5. Expenses we incur.

(Ed. 1-15)

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

1. **Bodily Injury by Accident.** The limit shown for "bodily injury by accident—each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.

A disease is not bodily injury by accident unless it results directly from bodily injury by accident.

2. **Bodily Injury by Disease.** The limit shown for "bodily injury by disease—policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease—each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and

2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.
3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.
4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

PART FOUR YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal

papers related to the injury, claim, proceeding or suit.

4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE—PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. all your officers and employees engaged in work covered by this policy; and
2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX—CONDITIONS**A. Inspection**

We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancellation.

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. Experience rating is mandatory for all eligible insureds. The experience rating modification factor, if any, applicable to this policy, may change if there is a change in your ownership or in that of one or more of the entities eligible to be combined with you for experience rating purposes.

Failure to report any change in ownership, regardless of whether the change is reported within 90 days of such change, may result in revision of the experience rating modification factor used to determine your premium.

This reporting requirement applies regardless of whether an experience rating medication is currently applicable to this policy.

Catastrophe (Other Than Certified Acts of Terrorism) Premium Endorsement

This endorsement is notification that we are charging premium to cover the losses that may occur in the event of a Catastrophe (Other Than Certified Acts of Terrorism) as that term is defined below. Your policy provides coverage for workers compensation losses caused by a Catastrophe (Other Than Certified Acts of Terrorism). Coverage for such losses is subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations. This premium charge does not provide funding for Certified Acts of Terrorism contemplated under the Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement attached to this policy.

For purposes of this endorsement, Catastrophe (Other Than Certified Acts of Terrorism) is defined as: A single event or peril resulting in a group of claims with aggregate workers compensation losses in excess of \$50 million. Terrorism Risk Insurance Program Reauthorization Act Disclosure Endorsement

This endorsement addresses the requirements of the Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019. It serves to notify you of certain limitations under the Act, and that your insurance carrier is charging premium for losses that may occur in the event of an Act of Terrorism.

Your policy provides coverage for workers compensation losses caused by Acts of Terrorism, including workers compensation benefit obligations dictated by state law. Coverage for such losses is still subject to all terms, definitions, exclusions, and conditions in your policy, and any applicable federal and/or state laws, rules, or regulations.

Definitions

The definitions provided in this endorsement are based on and have the same meaning as the definitions in the Act. If words or phrases not defined in this endorsement are defined in the Act, the definitions in the Act will apply.

"Act" means the Terrorism Risk Insurance Act of 2002, which took effect on November 26, 2002, and any amendments thereto, including any amendments resulting from the Terrorism Risk Insurance Program Reauthorization Act of 2019.

"Act of Terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security, and the Attorney General of the United States, as meeting all of the following requirements:

- a. The act is an act of terrorism.
- b. The act is violent or dangerous to human life, property, or infrastructure.
- c. The act resulted in damage within the United States, or outside of the United States in the case of the premises of United States missions or certain air carriers or vessels.
- d. The act has been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

"Insured Loss" means any loss resulting from an act of terrorism (and, except for Pennsylvania, including an act of war, in the case of workers compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if the loss occurs in the United States or at the premises of United States missions or to certain air carriers or vessels.

"Insurer Deductible" means, for the period beginning on January 1, 2021, and ending on December 31, 2027, an amount equal to 20% of our direct earned premiums during the immediately preceding calendar

(Ed. 01-2021)

Limitation of Liability

The Act limits our liability to you under this policy. If aggregate Insured Losses exceed \$100,000,000,000 in a calendar year and if we have met our Insurer Deductible, we are not liable for the payment of any portion of the amount of Insured Losses that exceeds \$100,000,000,000; and for aggregate Insured Losses up to \$100,000,000,000, we will pay only a pro rata share of such Insured Losses as determined by the Secretary of the Treasury.

Policyholder Disclosure Notice

1. Insured Losses would be partially reimbursed by the United States Government. If the aggregate industry Insured Losses occurring in any calendar year exceed \$200,000,000, the United States Government would pay 80% of our Insured Losses that exceed our Insurer Deductible.
2. Notwithstanding item 1 above, the United States Government will not make any payment under the Act for any portion of Insured Losses that exceed \$100,000,000,000.
3. The premium charge for the coverage your policy provides for Insured Losses is included in the amount shown in Item 4 of the Information Page or in the Schedule below.

Part Six—Conditions, Section A. (Inspection) of the policy is replaced by the following:

A. Inspection

We have the right, but are not obliged, to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes, or standards. We will maintain proof of mailing of the notice of cancellation. A copy of all such notices shall be sent to the broker or agent of record, if known, at the last known mailing address. The broker or agent of record may opt to accept notification electronically.

Part Six—Conditions, Section E. (Sole Representative) of the policy is replaced by the following:

An exact and unaltered copy of such notice will also be sent to the named insured's producer, if known, or the producer of record at the last known mailing address. The named insured's producer, if known, or the producer of record may opt to accept notification electronically.

3. Our notice of nonrenewal will provide a specific explanation on the reasons for not renewing.
4. If we fail to provide the notice of nonrenewal as required, the policy will still terminate on its expiration date if:

ILLINOIS RENEWAL ENDORSEMENT

This endorsement applies because Illinois is shown in Item 3.A. of the Information Page.

Part Six—Conditions of the policy is revised by adding the following:

G. Renewal

1. We may elect to renew the policy in accordance with 215 ILCS 5/143.17a.
 - a. We will provide the named insured with written notice of our intent to renew if, compared to this current policy, the:
 - Renewal policy premium increases by 30% or more, or
 - Changes in deductibles or coverage materially alter the renewal policy.
 - b. We will mail or deliver the written renewal notice:
 - To the named insured at the last known mailing address
 - At least 60 days prior to the renewal or anniversary date of this current policy.
 - c. If we fail to provide notice 60 days prior to the renewal or anniversary date, but we do mail or deliver the written renewal notice to the named insured not less than 31 days prior to the renewal or anniversary date of this current policy, then we may extend this policy at the current terms and conditions for the period of time needed to equal the 60 day time period required to provide notice of intention to renew.
 - d. All renewal notices will also be sent to the producer, if known, or the producer of record, and to the mortgagee or lien holder listed on the policy. The producer, if known, or the producer of record and the mortgagee or lien holder may opt to accept notification electronically.
 - e. If we fail to provide renewal notice as required above, the policy will automatically be extended for one year under the same terms and conditions. We may increase the renewal premium, but such increase must be less than 30% of this policy's premium and notice of such increase must be delivered to the named insured on or before the date of expiration of this current policy. The increase in premium is based on the known exposure as of the date of the quotation compared to the premium as of the last day of coverage for the current year's policy, annualized. The renewal premium may be subsequently amended to reflect any change in exposure or reinsurance costs not considered in the quotation.
 - f. If we fail to provide the notice of renewal as required, the policy will still terminate on its expiration date if:
 - (1) You notify us or the producer who procured this policy that you do not want the policy renewed; or
 - (2) You fail to pay all premiums when due; or
 - (3) You obtain other insurance as a replacement of the policy.
 - g. Proof of mailing or proof of receipt of the notice of intent to renew to the named insured may be proven by a sworn affidavit by the company as to the usual and customary business practices of mailing notice pursuant to 215 ILCS 5/143.17a or may be proven consistent with Illinois Supreme Court Rule 236.
2. We may elect to conditionally renew the policy in accordance with 215 ILCS 5/462a.
 - a. For policies issued, delivered, amended, or renewed on or after January 1, 2019 ("this policy") we will provide the employer with written notice of our intent to conditionally renew if, compared to this policy, the renewal premium is in excess of 5% above the rate recommendation filed with and approved by the Illinois Department of Insurance.
 - b. To determine whether the renewal premium is in excess of 5% above the rate recommendation, we will **not** consider any premium increases generated from the following items:
 - Increased loss costs
 - Increased exposure units
 - The application of an experience rating modification
 - The application of a contracting classification premium adjustment program
 - The application of a large deductible program
 - The application of a retrospective rating plan
 - An audit of auditable coverages

(Ed. 1-19)

- c. Mailing or delivering such written notice to the employer at least 30 days in advance of the expiration date of this policy, at the address shown in Item 1. of the Information Page, and to the authorized agent or broker will be deemed sufficient notice under this section.
- d. This conditional renewal notice will include a statement that clearly identifies:
 - (1) The amount of the premium increase or, if the amount cannot reasonably be determined as of the time the notice is provided, a reasonable estimate of the premium increase based on information available to us at that time
 - (2) The reason for the increased premium in excess of the rate recommendation filed with the Illinois Department of Insurance

Policyholder Disclosure: Illinois Workers' Compensation Commission Operations Fund Surcharge

Your policy has been surcharged as a result of the Illinois Workers' Compensation Commission Operations Fund Surcharge, effective 01/01/2005.

The establishment of this Fund provides that every insurance company, authorized or licensed by the Illinois Insurance Department and insuring employers' liabilities arising under the Workers' Compensation Act or the Workers' Occupational Diseases Act, must remit a surcharge equal to 1.01% of the direct written premium for insuring employers' liability under the Workers' Compensation Act or Workers' Occupational Diseases Act.

The portion of your annual premium that is attributable to this surcharge is \$19.

Loss Control

As an insurer, we recognize that one of the best ways to protect you is by helping to prevent losses from occurring. While all claims cannot be eliminated (accidents happen!), certain proactive loss control measures can reduce the likelihood or the frequency/severity of occurrences. In other words, safety really does matter.

At biBERK, we offer a wide range of loss control resources and professional support at no additional charge. From online safety videos and downloadable educational flyers and policy-specific recommendations, we can help “a little” or “a lot” depending upon the need and level of interest from our policyholders.

Safety benefits everyone – you, your employees, and your customers. Therefore, we provide you with a wealth of resources to assist you in making your operation as safe as possible. One of the most effective ways we have found to put loss control services at your fingertips is through our partnership with The Training Network, which has over 30 years experience providing high-quality safety programs.

As a policyholder benefit, you have access to The Training Network NOW – one of the largest online safety-training libraries on the market today. The 350+ training modules include videos as well as accompanying end-of-course quizzes and other instructional materials – such as Leaders’ Guides and Completion Certificates – to facilitate your training sessions.

The library includes safety topics of common interest such as: back safety, safety leadership for supervisors, safe electrical practices, injury prevention for food service, landscape power tool safety, hazard communications, construction safety, distracted/defensive driving, trenching and shoring safety, computer workstation safety, and many more. Select videos are designed for mobile devices, and a number of titles are also available in Spanish.

**POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM
INSURANCE COVERAGE**

Coverage for acts of terrorism is included in your policy. You are hereby notified that the Terrorism Risk Insurance Act, as amended in 2019, defines an act of terrorism in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury—in consultation with the Secretary of Homeland Security, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is 20.00, and does not include any charges for the portion of losses covered by the United States government under the Act.

Illinois – Civil Unions and Insurance Benefits

From information provided May 2011 by the Illinois Department of Insurance
in a document entitled Illinois Insurance Facts.

Note: This information, developed to provide consumers with general information and guidance about insurance coverage and laws, is not intended to be a formal, definitive description or interpretation of Department policy. For specific Department policy on any issue, regulated entities (insurance industry) and interested parties should contact the Department.

Signed by Governor Quinn on January 31, 2011, the Religious Freedom Protection and Civil Union Act (Public Act 96-1513, the "Civil Union Law") will allow both same-sex and different-sex couples to enter into a civil union with all of the obligations, protections, and legal rights that Illinois provides to married heterosexual couples.

The Civil Union Law becomes effective on June 1, 2011. Below is a list of frequently asked questions about the Civil Union Law's impact on insurance laws and benefits in Illinois. Please call the Department of Insurance at (866)445-5364 if you have a question we have not answered.

GENERAL QUESTIONS

What is a civil union? How is a civil union different from marriage?

A civil union is a legal relationship granted to unmarried adult partners by the State of Illinois. The Civil Union Law ensures that civil unions and marriage are treated identically under Illinois law.

For purposes of Illinois law, and as used in this fact sheet, the term "spouse" (and other terms that denote the spousal relationship) now includes a party to a civil union. Federal law may impact how eligibility and benefits for certain products are treated.

What impact does the Civil Union Law have on insurance policies? How will the Law be interpreted?

For purposes of insurance laws, policies, eligibility, and benefits governed by Illinois law, a spouse in a civil union and a spouse in a marriage are to be treated identically.

The Civil Union Law will be "liberally construed and applied to promote its underlying purposes." If ambiguity exists about whether or how the Civil Union Law applies to an insurance law, regulation or policy, that ambiguity shall be resolved in favor of the individuals in the civil union.

When does the Civil Union Law become effective?

The Civil Union Law becomes effective on June 1, 2011. All insurance policies issued on or after June 1, 2011, must immediately conform to the Civil Union Law. All in-force insurance policies subject to the Law (generally, all insurance policies issued in Illinois) are amended by operation of law to conform with the Civil Union Law on that date.

This means that all policies will, without any action on the part of the insurer, insured or certificate holder, be interpreted and enforced so as to provide the same benefits to spouses in a civil union and those in a marriage beginning June 1, 2011. For rating and underwriting purposes, the Civil Union Law shall be applied on issuance or renewal.

The Department has provided separate guidance to all insurers licensed to operate in Illinois to ensure that existing policy forms, applications, and other materials given to policyholders or applicants are amended in a reasonable but timely manner, and to ensure that policyholders and applicants are informed about the rights provided by the Civil Union Law.

Does the Civil Union Law apply to domestic partners who are not joined in a civil union?

No. The Civil Union Law does not change the legal status, rights, or protections currently afforded to domestic partners. In order to receive the same legal status as married couples under State law, domestic partners must enter into a civil union as provided by the Civil Union Law.

What proof of a civil union may an insurer require?

Insurers cannot impose more stringent requirements on policyholders, applicants or claimants to prove a civil union than are required to prove a marriage. An insurer cannot, for example, require certification or evidence that the couple joined by a civil union has a joint account, owns real estate jointly, or shares a residence, unless the insurer also requires the same certification or evidence of couples joined in marriage to prove the marriage.

WORKERS' COMPENSATION INSURANCE

Does an insurer have to offer civil union couples the same joint policies and discounts it offers to married couples?

Insurers must offer the same policies and contracts to both civil union couples and married couples. If the insurer sets premium rates or provides premium discounts based on marital status, the insurer must treat married couples and civil union couples identically.

Do civil union spouses qualify for survivor benefits under workers' compensation insurance?

Yes. Civil union spouses are entitled to the same benefits as married spouses under workers' compensation insurance.

Excerpted from information provided by the Illinois Department of Insurance,

Important Alert for Policy #N9WC567160

Please read this important advance notice which outlines our policy for handling Workers' Compensation premium for subcontractors. If you have any questions or do not understand any portion of the explanation, we suggest you contact us immediately because the cost of your coverage may be affected at final audit time.*

Premium Charge for Subcontractors

If you hire subcontractors who do not have their own Workers' Compensation insurance, your premium calculation will be modified to include any amounts paid for their labor. This additional premium is addressed in Part Five C 2 of your policy and compensates us for the risk that one or more of these subcontractors (or one of the subcontractor's employees) will file a claim for benefits under your coverage.

Although subcontractors may appear to be independent businesses, claims filed by them (or their employees) are common after an injury. Under Workers' Compensation law, the legal definition of "employee" is much broader than the common understanding of that term. In addition, many states make you – as the contractor – automatically responsible for certain expenses due to work-related injuries to your independent subcontractors or their employees. Regardless of the state law, Berkshire Hathaway Insurers of biBERK must pay legal fees under Part One of your policy to defend these claims and must also pay Workers' Compensation benefits in many cases.

For these reasons and in accordance with Part Five C 2 of your policy, we will charge appropriate additional premium unless the subcontractors have their own in-force Workers' Compensation coverage during your entire policy period, and you are able to provide acceptable proof of this coverage to us prior to completion of your final audit. Evidence of general liability insurance, pre-determinations or statements of independent contractor status, hold harmless agreements, etc. are not acceptable substitutes, and no exceptions will be made for sole proprietors or others on the grounds that such parties are not required to purchase (or cannot purchase) Workers' Compensation insurance. The risk of a claim against your policy from an uninsured subcontractor is the same, regardless of his or her reason for having no coverage. Furthermore, these additional charges will be imposed when applicable, even if exceptions have been granted to you by us or by another carrier in the past.

Please realize that premium may be charged for subcontractors hired by uninsured entities owned or controlled by you. Premium will be charged if the Rating Bureau rules in your state require the related entity to be combined in a single policy with the company we are insuring.

Ultimately, we believe this policy is in the best interests of all parties, and we hope that this advance notification will prevent any misunderstandings at a later date. As always, we thank you for selecting Berkshire Hathaway Insurers of biBERK, and we look forward to serving you during the upcoming policy year.

***Note: A "subcontractor" is a person or organization paid to assist you in providing a product or service to your customer or client (and not just to you). Workers' Compensation laws in most states presume that such vendors are "employees" who, therefore, often file claims seeking benefits.**

Notice of Election to Accept or Reject an Insurance Deductible for Illinois Workers' Compensation Medical Benefits

Illinois law permits an employer to purchase Workers' Compensation insurance with a deductible. When this option is chosen, a premium credit of 2.1 % is provided and a deductible will be applied to the medical benefits paid during the course of each claim. This deductible applies to each accident, regardless of the number of persons injured.

Employers are under no obligation to elect this option. However, those who do must understand that the *Illinois Medical Benefits Deductible Endorsement* of the insurance policy states that the employer must reimburse the Company for the full amount of the deductible **within 30 days of receipt of notice** for **each** claim paid under that policy. Failure to remit payment within this time frame may result in CANCELLATION of the policy and possible loss of unearned premium.

PLEASE INDICATE YOUR PREFERENCE BELOW:

_____ No, I do not want the deductible described in this Notice.

_____ Yes, I am electing the deductible option in the amount of \$1,000.00. I understand that the amount I have selected represents the maximum amount of the medical benefits payment that I will be responsible for paying for each compensable Workers' Compensation claim under my current Workers' Compensation insurance policy. I further acknowledge that my insurance carrier will initially pay the deductible amount and then seek reimbursement from me on a timely basis.

IMPORTANT: Failure to return this form to the Company prior to policy inception will be construed to mean this deductible option has been waived by the employer.
